## Fact Sheet

### Command Toilet And Urinal Cleaner

11

#### DESCRIPTION

**Command** is a concentrated toilet and urinal cleaner which quickly removes rust, scale and uric acid deposits. Its unique formula does not produce fumes like some cleaners and is safe to use on stainless steel. **Command** is a commercial grade disinfectant when used undiluted.

#### FEATURES AND BENEFITS

- **Concentrated non-fuming formula**  
Reduces cleaning time and improves workplace safety.
- **Thickened formula**  
Helps to prevent overuse and enhances product contact time.
- **Commercial grade disinfectant**  
Cleans and disinfects in one action for superior hygiene.
- **Pleasant residual odour**  
The area smells clean and fresh for the client.
- **Colour coded labelling**  
Ensures easy product identification and simplifies training

#### DIRECTIONS FOR USE

For best results, use **Command** neat in a squeeze bottle. If using daily, **Command** may be diluted up to 1:6 (100ml/600ml spray bottle).

As a Commercial Grade Disinfectant: Use undiluted.

Apply **Command** to the bowl or urinal from a squeeze

bottle if neat, or spray bottle if diluted. Ensure the sprayer is not adjusted to a fine mist. Use a brush to ensure the solution covers the entire surface. For heavy stains, allow solution to contact for up to 2 minutes. Flush the toilet/urinal and wipe off any residue from around the top of the bowl/urinal or on the seat.

**DO NOT MIX WITH ANY OTHER CHEMICALS.**

#### PACKAGING

12x750ml	P/C 6185993
2x5L	P/C 6185205
15L	P/C 6185015
25L	P/C 6185025

#### APPEARANCE

**Command** is a purple viscous liquid with a floral fragrance
