

Cleantec

Fact Sheet

Exodus

Enzymatic Laundry Powder

DESCRIPTION

Exodus is a premium commercial laundry powder containing enzymes. With its highly active formulation Exodus provides excellent soil removal and whitening. Due to its formulated enzyme system **Exodus** is highly recommended for the removal of blood and protein soiled linen.

FEATURES AND BENEFITS

- **Concentrated product**
Provides excellent economy and in-use cost efficiency.
- **Excellent optical brighteners**
Produces excellent results in improving the whiteness and brightness of fabrics.
- **Advanced formulation**
Powerful enzymes greatly increase stain removing ability.
- **Built in corrosion inhibitors**
Prevents corrosion in water extractors.
- **Colour coded labelling**
Ensures easy product identification and simplifies training

DIRECTIONS FOR USE

Do not use with chlorinated products.

Wash solutions should not exceed a pH of 12.

The temperature should not exceed 70°C, but for best enzyme activity 60°C is recommended.

Wash times should not be less than 8 minutes.

Classification	Dosage (grams per kg of dry linen)		
	Light	Medium	Heavy
Hardness as ppm CaCO ₃			
Low (0-100)	5	7.5	10
Medium (100-200)	7.5	10	12.5
High (>200)	10	12.5	15

For specific application information consult your Cleantec Laundry Specialist.

PACKAGING

20kg P/C 15440

180kg P/C 16186
