Fact Sheet

Versatile Multipurpose Cleaner

1

DESCRIPTION

Versatile is an outstanding multipurpose cleaner that uses the latest grease cutting technology. It may be used for a variety of cleaning tasks including floor cleaning, spray & wipe and oven & grill. In the kitchen, **Versatile** may replace a range of products, making the cleaning function simple and safe. No longer are caustic based oven, grill and rangehood cleaners required.

FEATURES AND BENEFITS

- **Multipurpose biodegradable formula**

Versatile may be used for housekeeping or kitchen duties. It is a truly universal product that can be diluted at different rates for different tasks.

- **Exceptional cleaner**

No matter what soil type or level, **Versatile** is up to the job. It is simple to use and has a pleasant citrus odour.

- **Replaces caustic based corrosive chemicals**

Manually dispensed oven and grill cleaners represent a potential risk to staff. Replacing them with **Versatile** dramatically improves safety and reduces the need for expensive safety equipment.

- **Easy to Rinse**

Versatile will not leave deposits or etch the surface. Its free rinsing formula allows staff to clean quickly, without the risk of leaving hard to remove white deposits. This is particularly important in shower cleaning.

- **Colour coded labelling**

Ensures easy product identification and simplifies training.

DIRECTIONS FOR USE

Dilute **Versatile** with clean water according to its intended use. Ensure food contact surfaces cleaned with **Versatile** are rinsed well with clean water and allowed to dry before use.

Heavy cleaning: showers, toilets and urinals 1:5-1:10

General cleaning: spray & wipe, walls 1:80-1:150

Window squeegee 1:300

Vinyl floor cleaning 1:150

Kitchen floors, non-slip tiles and vinyl 1:40

Oven and grill cleaning Neat

Rangehood cleaning Neat-1:5

OVEN AND GRILL CLEANING PROCEDURE

Warm the grill or oven to help liquify the oil and grease. Do not overheat. Turn off the heat and apply neat **Versatile** to the surface, agitate and allow to penetrate for 5 minutes or longer if possible. Ensure the solution does not dry out. Scrub the surface again and rinse thoroughly with clean water. Dry with a paper towel and oil the surface. For further information contact your Cleantec Representative.

PACKAGING

2x5L P/C 7719205

15L P/C 17554

APPEARANCE

Versatile is a blue coloured liquid with an orange-like odour.
