

FACT SHEET

PACER

GEL STAIN REMOVER

CHLORINATED LIQUID DESTAINER

DESCRIPTION

Pacer Gel Stain Remover is a thickened, chlorinated liquid cleaner specifically formulated to help sanitise while quickly and effectively removing mould and stubborn stains. **Gel Stain Remover** can be used to clean:

- Tiles and grouting
- Concrete
- Stainless steel
- Most hard surfaces

Pacer Gel Stain Remover is a clear, straw coloured viscous liquid with a slight lemon fragrance.

FEATURES AND BENEFITS

- Cleans, sanitises and kills mould in one application
- Special thickening agent clings to the surface, making cleaning easier and reducing waste
- Concentrated chlorine power makes fast work of mould removal
- Rinses freely to leave a clean, streak free surface every time
- Leaves a pleasant "just cleaned" lemon odour

DIRECTIONS FOR USE

Stain Removal

- Apply directly onto surface. Leave for 2-5 minutes. If necessary, gently scrub to loosen stain, and rinse off with fresh water.

Mould Removal

- Apply to affected area. Rub with damp cloth or soft scourer. Leave for 2-5 minutes. Gently scrub, if necessary, and rinse off with fresh water.

Kitchen Floors

- Dilute 125mL of GSR in 5L of water (1:40). Mop over floor, scrub lightly and rinse well.

IMPORTANT NOTES:

All food processing surfaces must be rinsed with potable water after use.

Gel Stain Remover is not safe to use on aluminium.

Do NOT leave for extended periods on glass or soft metal surfaces.

Do NOT allow to dry on any surface.

Do NOT apply to non-colour fast surfaces.

PACK SIZE

2 x 5 litre carton P/C 17608
