

FACT SHEET

The PACER logo is rendered in a stylized, white, italicized font with a horizontal line passing through the middle of the letters. It is set against a solid orange background.

SCALEX

Acidic Cleaner

DESCRIPTION

PACER SCALEX is a concentrated acidic cleaner which may be used for a variety of purposes depending on the dilution. Its blend of acids provides fast, effective scale and rust removal.

Scalex is safe to handle when used according to directions and is colour coded orange for easy identification.

It may be used to clean:

- toilets
- urinals
- dishwashers
- coffee urns
- sterilisers and autoclaves
- freshly tiled floors

Scalex is a clear, orange mobile liquid with a mild odour.

FEATURES AND BENEFITS

- **Concentrated for economy**
- **Fast acting**
- **Multipurpose**
- **Effective on a variety of soils**
- **Free rinsing**
- **Biodegradable to AS1792-1976**
- **2 year shelf life**
- **Australian made**

DIRECTIONS FOR USE

TOILET BOWLS

Dilute 1:6 to 1:18 depending on the soil level and frequency of cleaning.

DISHWASHERS

Dump the wash tank and rinse out detergent residue. If connected to an automatic dispensing unit, ensure it is switched off.

Spray or brush neat Scalex over heavily scale encrusted internal areas. Add 2-4 litres of Scalex to the fresh water filled wash tank and wash for 3 minutes. If scale is still present, wash for a further 3 minutes. Once clean, drain the wash tank and rinse with fresh water.

COFFEE URNS

Add 200mLs - 400mLs of Scalex per 5 litres of hot water. Allow to stand without boiling for 15 minutes. Drain urn and rinse thoroughly with fresh, clean water.

TILED FLOORS

To remove excess grout from tiled floors, dilute 200mLs of Scalex per litre of water. Mop over area liberally, scrub and rinse off.

For further information, contact your Campbell Cleantec Representative.

PACK SIZE

2 x 5 litre carton P/C 17528

SAFETY INFORMATION

Carefully read the Material Safety Data Sheet (MSDS) before using this product. For your convenience, MSDS's may be accessed via our web site at www.cleantec.com.au.
