

FACT SHEET

PACER

ULTRACLEAN

Superconcentrated Warewashing Detergent

DESCRIPTION

Pacer Ultraclean is a super-concentrated detergent that provides the ultimate in performance and economy. It effortlessly decolourises stains and removes food soils from all type of wares. The advanced formula tolerates any water hardness level, preventing scale forming on wash arms, inside jets and on wash walls.

Pacer Ultraclean is a light tan coloured liquid that has a mild odour.

DIRECTIONS FOR USE

Place the bottle into position. Lower the connector through the cap to commence dispensing. Replace the bottle when the alarm sounds on the dispenser, signalling the bottle is empty.

For further information contact your Campbell Cleantec Representative.

PACK SIZE

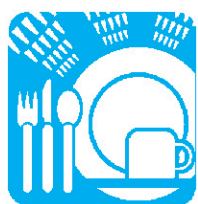

2 x 5 litre carton P/C 7686205

FEATURES AND BENEFITS

- **Super-concentrated formula**
Reduces bottle changeovers, eliminates storage problems, assures economy.
- **Advanced formula**
Superior results are assured and soaking is dramatically reduced or eliminated altogether.
- **Phosphate free**
Suitable for environmentally sensitive areas where phosphate levels must be controlled.
- **Encapsulated 5L bottle with colour coding**
The encapsulated 5L container is compact, easy to store and handle. It prevents staff coming in contact with neat chemical and enables fast, simple connection to the warewashing dispenser.

SAFETY INFORMATION

Carefully read the Material Safety Data Sheet (MSDS) before using this product. For your convenience, MSDS's may be accessed via our web site at www.cleantec.com.au.
