

FACT SHEET

PACER

WINDOW CLEANER CONCENTRATE

Heavy Duty Window Cleaner

DESCRIPTION

Pacer Window Cleaner Concentrate combines a high performance solvent system with the power of ammonia, guaranteeing a streak free finish every time on:

- Windows and mirrors
- Chrome
- Most hard surfaces

Window Cleaner Concentrate is a clear, dark green mobile liquid with a mild odour of ammonia.

FEATURES AND BENEFITS

- Low alkalinity
- Easy and safe to use
- Surfactants are biodegradable to AS1792-1976
- Will not build up unwanted deposits or etch surfaces
- Able to perform on highly soiled glass surfaces where straight solvents fail
- Colour coded for easy identification
- Can also be used as a spray and wipe cleaner on most hard surfaces
- A highly concentrated formula to be diluted with water for super economy
- 2 year shelf life
- Australian made

DIRECTIONS FOR USE

Dilute concentrate 1:8 with clean water. For large areas of glass, sponge wash and squeegee off. For smaller windows and mirrors, spray and wipe off. May be used undiluted to remove difficult stains from various types of fabrics and materials. Rinse after with potable water.

For more information contact your Campbell Cleantec Representative.

PACK SIZE

2 x 5 litre carton P/C 17558

SAFETY INFORMATION

Carefully read the Material Safety Data Sheet (MSDS) before using this product. For your convenience, MSDS's may be accessed via our web site at www.cleantec.com.au.
