H.D. X-TRACTOR

CARPET EXTRACTION FLUID

TDLC04-01-1200

DESCRIPTION: -

H.D. X-TRACTOR is a low foaming liquid, specifically formulated for use in hard water areas through hot water extraction carpet cleaning equipment. H.D. X-TRACTOR utilizes a unique surfactant system and chelating agents that neutralize the minerals in hard water-which allows superior removal and emulsification of oils, soils and shampoo residue commonly found in carpet. H.D. X-TRACTOR also contains a biocide in the form of a quaternary ammonium compound to deodorize, eliminate wet carpet odours and destroy bacteria that may be found within the carpet leaving the carpet smelling fresh and clean.

PHYSICAL PROPERTIES	
Appearance	Clear pale straw liquid
Odour	Herbal
pH	12.5 – 12.9
Specific Gravity	1.041 ± 0.005
Percentage Volatiles	86.0 – 87.0%
Solubility in Water	Infinite

DIRECTIONS FOR USE: -

1. Dry vacuum carpet thoroughly before use.
2. Dilute H.D. X-TRACTOR 1 part to 10 parts water to spot clean where necessary or apply as a soil break for heavily compacted soils, eg. Bars, Dining Areas.
3. Dilution Rates: -

Light Soiling:	1 part H.D. X-TRACTOR to 120 parts water.
Medium Soiling:	1 part H.D. X-TRACTOR to 80 parts water.
Heavy Soiling:	1 part H.D. X-TRACTOR to 40 parts water.

NOTE: -

- a) Always test in a small, unobtrusive area to determine colour fastness.
- b) Never over wet carpet as this may cause shrinkage or jute stains.
- c) H.D. X-TRACTOR is not suitable for dry foam & shampoo units.
