PRODUCT

PRAIRIE

TDD110-1-1100

DESCRIPTION

PRAIRIE is a pleasantly perfumed deodorizer and air conditioner with a snap sanitizing effect against air-borne bacteria.

PRAIRIE consists of a clear solution of three core components – a recognized germicide, perfume concentrates and alcohol carriers.

PRAIRIE is effective against air-borne bacteria and provides a lingering pleasant after perfume to replace stale odours. Use in any area where offensive odour control is required.

FEATURES & BENEFITS

- Long lasting perfume.
- Effective air and surface sanitiser.
- May be used to control carpet odours.
- Used in varied environments.
