S - CLEAN

ANTI - BACTERIAL ALL SURFACE SANITISER

TDDI48-1-1100

DESCRIPTION: -

S - CLEAN is a Ready to Use surface sanitiser and cleaner that is effective in reducing bacteria in food preparation, storage and eating areas.

S - CLEAN carries TGA approval for Commercial Grade Disinfectants, Option C.

A wide variety of applications are found in the food industry including cleaning and sanitising of food preparation areas, benches, table tops and all surfaces that are determined HACCP areas. Use also to clean and sanitise food cupboards, refrigerators, tables, chairs and waste disposals.

S - CLEAN is also an effective deodoriser and kills bacteria and odour in rubbish disposal bins.
